**Subject:** PBM Quick Assessment Result

Dan Brenner,

The total score for Progressive Technologies on the PBM Quick Assessment is 50 .

This indicates your organization is in the ENGAGED stage.

The ENGAGED stage is defined as:

The organization is ENGAGED in managing processes and demonstrates effective, systematic approaches for implementing Process Based Management. The organization has developed a process governance approach and it is in the early stages of deployment. A process classification framework has been developed and is in the early stages of population for the organization's key processes. The organization has formed initial process teams for targeted processes and has developed a general improvement orientation that is forward-looking.

Thank you for taking the PBM Quick Assessment.
